June Walk Amongst the Apple Orchards

Folksmarchers will gather 9:15-12:00, Saturday only, June 16th, at Beak & Skiff Apple Orchards

Sign-in will be located in the Bakery. Pets on a leash are allowed outside in the campus area with asphalt walks, but NOT inside buildings unless a service dog. NO dogs or pets are allowed in the orchards where we will be walking. Over in the 1911 Tasting Room you can test the cider wines and vodkas including Honey Crisp or the Tropical, providing you are of legal age of course. Sandwiches and salads are also available. The General Store features apple cider donuts, maple syrup and other goodies plus Holiday stocking stuffers. You may take home some homemade fudge or New York cheddar cheese. The Cider Mill is across Route 80 so be careful when crossing the road. The Distillery is located just east of the Rte. 20/80 intersection.

Beak and Skiff began in 1911 when onion farmer, George Skiff, and dairy farmer Andrew Beak met at, where else, a farmers' market and decided that the Route 20 hillside would be a good site for an apple orchard. By 1920 they were whole selling their products. The orchards survived the droughts of the 1930's including 1937 when the trees shed their leaves. After the big freeze of 1945 destroyed the crop, the owners started using smoke and fans to protect their blossoms from the spring frosts. Irrigation was started in 1951. Apple Hill opens to the public in 1975 and by 1979 flash pasteurization gave apple cider a longer shelf life with the same great flavor. Beak and Skiff employ travelling bee keepers and planted 13,000 apple tree in 2013.

By 2001 Beak and Skiff is inaugurating hard cider flavors and upgrades their stores to the Apple Hill Campus you now see and where Beak and Skiff host Friday porch parties, magic shows, yoga and concerts. Just go to their web site, www.beakandskiff.com, and click on calendar for upcoming events. To learn more about Beak and Skiff come to the 15 minutes of fame at 10:45.

Remember....June 16, Saturday only, 9:15 'til noon. Best to leave the pets at home.
