Drizzly November Green Lakes

Saturday morning at Green Lakes started out cool and dry but a light drizzly rain began around 9:30 am. In spite of the not-so-welcoming weather, hardy Folksmarchers came out to walk around either Green Lake or both Green and Round Lakes on a path that was reasonably dry. Walt & Peg Price came to say hello and stroll by the shore. Several neighborhood walkers stopped to find out what Folksmarch is all about and we hope they come to see for themselves in the coming months. Also Ruth Ware's friend, Ruth Hart, visited for a bit and told us that our Ruth passed away on the previous Tuesday at age 95. Ruth Ware was an avid Folksmarcher as well as an all-around lovely lady, and we will miss both her and her husband, Harold, who predeceased her a few years ago.

Sunday was cool but dry and partly sunny, enticing more walkers to this jewel of a State Park. Welcome to three first timers who joined us over the weekend: Jackie Atanasio, Joan Rogers and Elaine Bemrolon. Thanks to Mary Ledford, Dawn Bennett, Barbara Crane, Sue Straub and Dawn MacKenzie for helping out.

Looking for Volunteers

In 2022 we hope to get back to normal with our walks. This includes having monthly walk leaders to help plan the routes and check in participants. This was always a great opportunity to meet others interested in walking around CNY. We also need help with the newsletter and social media accounts. Anyone interested in helping to keep this club going please contact Erin Cunia, 315-439-9400 or ecbcunia@gmail.com.

Re-Cap of Board of Directors Meeting

On Sunday, November 7th, the FM Directors held an on-line board meeting. Several items were accomplished including the election of new officers whose terms will run from January 1, 2022 - December 31, 2023. We are pleased to announce the following results:

**Erin Cunia, President
Sue Straub, Vice-President
Adria Ripka, Secretary
Brian Noll, Treasurer**

We wholeheartedly thank our outgoing officers, President **Mary Ledford** and Secretary **Dawn Mackenzie**, for their contributions to Folksmarch during their reign.

We also thank board member **Stephanie Nicholson** whose term is ending and has chosen not to re-up for another 3-year stint.

At the Annual Meeting in December, the FM members will be asked to cast their ballot for 3 Board members who have been nominated for another term which will begin January 1, 2022. The nominees are **Eileen Arnold, Barbara Crane and Adria Ripka**.

Also, on the ballot there will be a spot for FM members to approve/disapprove the CNY Folksmarch by-laws, as amended. A copy of the amended by-laws will be available for FM members to review before voting.

So, now you are probably wondering if you are an actual full-fledged Folksmarch *member* and if you can vote or not. Here's how you know:

If you have a 2021 Annual Pass OR a 2021 Yearly Passport, then you are a Folksmarch member.

If you are an avid Folksmarch participant and attend several of the walks (or even just a few) throughout the year, you may want to consider becoming a member.

Although you can join *anytime during the year*, the most advantageous time is December (for the upcoming year) or at the January - March walks. If you purchase an Annual Pass during those months, you get the most bang for your buck. For \$40 you receive a passport, plus all 12 walks are paid in advance. That is up to an \$18 savings to you.

The Yearly Passport can also be purchased at any time throughout the year, BUT if you purchase it in January for \$10, you might be more motivated to attend the walk every month - pay \$4 for each walk - and get your passport filled with all 12 stamps. You will have a great feeling of accomplishment at the end of the year!

Becoming a member helps our organization to better budget our income and plan future walks. There are unforeseen expenses with most groups and Folksmarch is no different. If you choose to become a member your dues will go towards things like the venues, liability insurance, pins, refreshments, ads, supplies, etc.

Currently, we have about 60 Folksmarch members with a goal of reaching 100 members in the next 2 years. We hope you will help us reach that goal.
